

# MedWiseRx™ Clinical Contact Centers

Scalable Patient Engagement and  
Administrative Support

## Drive pharmacy revenue with clinical services and administrative solutions provided by MedWiseRx clinical contact centers.

Our nationwide network of HIPPA-compliant clinical contact centers are staffed by specialized pharmacy experts and help you focus on what matters most—the delivery of high-value clinical services.

### Pharmacy-centric Clinical Services

#### Comprehensive Medication Reviews (CMRs)

Multichannel, targeted patient outreach for completion of CMRs

#### Personalized Care and Patient Safety

Ensured medication efficacy, adherence, and safety through proprietary MedWise® Science

#### COVID-19 Support Services

Vaccine appointment scheduling, data reporting and entry, and more

#### Administrative Task Support

Appointment-reminder calls, warm transfer facilitation, and overflow solutions

**“We needed a solution to take pressure away from our pharmacy staff so they could focus on patient care. MedWiseRx clinical contact centers have provided this solution and have been critical to educating and supporting our patients.”**

— Rebecca Bubel, R.Ph. President, Kinney Drug Stores
